

## **NEW!** Series of workshops on Governance and Strategic Planning.

### **Practical Secrets of Strategic Governance** What you wish your Board would use

**Sydney, NSW:** Wednesday 9<sup>th</sup> May Venue TBA

**Brisbane, Qld:** Friday 11<sup>th</sup> May, 57 Berwick St, Fortitude Valley, Qld  
(Electrical & Communications Association Qld)

**Time:** 9.00am-12.30pm **Cost:** \$255

In this workshop, Steve will present governance in a way you have never seen before:

- Why you need to spot whether your Board is functioning from conscious, unconscious or anti-conscious
- The three most powerful tools to get your Board functioning
- The secrets of strategic focus-what you can do
- Key governance tools (and examples)
  - Compliance schedules
  - Register of interests
  - Strategic Board agendas
  - Board evaluation secrets
  - Board succession planning techniques
- What the law really says about Boards
- Dealing with difficult Board members
- The most often asked questions about "How do I...." from harried CEOs.

*"This was the most informative, practical, enjoyable training session on any topic I have attended".*

*"An outstanding presentation-the case examples from the presenters experience were excellent".*

**Steven Bowman** is recognised throughout Australia, the USA and Asia for his groundbreaking work in governance, executive leadership and strategic planning. Over 2000 CEO's, senior executives and Board members each year participate in his programs.

He has worked with many of Australia's blue-chip CEOs and has authored and co-authored over 14 books on Governance and Executive Leadership. He is a Fellow-Australian Institute of Company Directors and Fellow- Corporate Law and Accountability Research Group Monash University
